MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : Letter of Appreciation

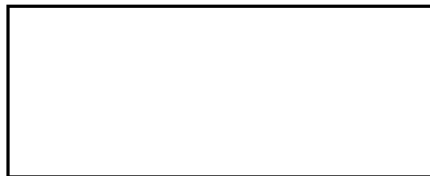

General Walters:

I would like to thank you in the name of all the members of our Agency Reserve Units for your outstanding presentation on 11 September. Regretfully, I was away from this area and not able to hear your talk. Since returning, though, I have heard nothing but praise and many of your comments have been quoted to me by numerous enthusiastic reserve officers. In all honesty, I can state that it is a real rarity to have a speaker so well received by the group.

STAT advised me of your gracious offer of further assistance to our reserve program, including your willingness to speak again to our unit. Obviously, we would more than welcome you as a speaker on our rostrum again, and I would like to review our schedule with a view toward imposing on your time briefly in the near future to discuss with you how we might best avail ourselves of your offer of assistance in the furtherance of our overall program.

Again, General, our sincere thanks for your taking the time out of a very busy schedule to keynote our training program for the year and our deep appreciation for an exceptionally interesting and informative talk.

Commanding Officer
